# AMG Ambassadors Needed

**Become an Associate Month of Giving (AMG) ambassador this February!**

**Inspire your team. Make a difference.**

As an AMG ambassador, you'll lead by example, share impactful stories, and rally your team to support Associate Month of Giving (AMG). The proof is in the numbers; departments with ambassadors show significantly higher participation than those without!

**Your role as an ambassador:**

- **Motivate your team:** Energize and encourage colleagues to get involved.
- **Share the impact:** Highlight how AMG funds transform lives.
- **Boost engagement:** Spark conversations and foster a culture of giving.

**We'll support you!**

Training and resources will be provided to help you succeed.

**Sign up by December 31**

Join us for live virtual training in January to get all the tools you need.

**Be the difference your team needs!**

Click **HERE** to become an ambassador or scan the QR code.
